

AMENDMENTS TO THE SPECIFICATION:

Please replace the paragraph beginning on page 22, line 11, with the following rewritten paragraph:

A

--As contents associated with the URL 76a written in the article 76 of a weather forecast column, contents which show weather charts with time in the form of moving pictures can be considered. In this case, the reader can obtain the latest weather chart by appropriately updating the contents on the server 77. Further, as the contents associated with the URL 74a written in an article 74 introducing a given program in the TV program column, there can be the contents including a moving image showing a scene of that program and sounds. In addition, as the contents associated with the URL 75a written in the advertisement column 75, if the advertisement is one for a given movie, a moving image or sound data including one scene or comments of that movie can be used. Moreover, in case of the advertisement of a car, a moving image showing a scene of that car traveling can be used. Additionally, a moving image of a music promotion can be provided.--
